For the attention of the parish councillors of Ringshall,

Throughout the last year, Citizens Advice Mid Suffolk have continued to offer people in Ringshall advice on issues such as debt, financial capability, energy, employment, housing, benefits, consumer rights, legal, family, health, education and arrange food parcels. As people in your parish face the cost of living crisis it has become vital that they can access support. We continue to provide this advice service by telephone, email and face to face.

Citizens Advice Mid Suffolk helped 14 people in Ringshall with 55 issues in the last 12 months. We have helped some clients with several problems over the year, and with several issues related to each of these problems.

We will do everything we can to help your parishioners who are struggling to solve their problems with free, independent advice. With the right advice we can help prevent problems escalating into a crisis.

Citizens Advice Mid Suffolk is a locally funded charity. Some people assume that we are funded by central government but that isn't the case. We rely on local fundraising to continue to offer our service. Would you please consider a donation to our running costs?

Just some of the positive feedback we have received from clients in the last year:

"Very helpful and pleasant, and recommend Citizens Advice to anyone needing help"

"The team transformed my anxiety issues by giving me calm support and knowledge as to how to resolve my problems , I think it is an invaluable personal service and as rare face to face contact very comforting . I thank you all for getting me back on track in my life ."

"Patient, friendly and informative"

Please do refer any of your residents who are in need to us.

We are also on [Facebook](#) and [Twitter](#) , so feel free to follow us on these platforms to see the latest advice, and what we have been up to.

Your support is greatly appreciated, and we would be very happy to answer any questions or discuss how we can help people in your community together.

Kind Regards,

Simon Clifton

Chief Officer

Citizens Advice Mid Suffolk
