Dear Lacey

Thank you very much to Ringshall Parish Council for agreeing a generous donation of £100, it really is very much appreciated. I have attached the bank details for your reference. Please share with your colleagues that your donation could fund a series of physio therapy sessions for a patient, enabling them to be at home for Christmas, thank you.

Our very best wishes

Lesley

Dear Lesley,

Thank you for your e-mail. Your request was discussed at our meeting last night, and I am pleased to report that our Councillors agreed to donate £100 to St Elizabeth Hospice Suffolk.

Could you please kindly forward your bank account payment details as soon as possible, so that I may instruct the payment.

Many thanks,

Lacey Luther

Dear Ringshall Parish Council

Christmas is a time for togetherness, a chance to share the magic of the festivities and make memories with friends and family. For many of our patients, wanting to be at home surrounded by the love of their family will be a priority, but for some this will be their last Christmas together.

Jess, who was sadly diagnosed with secondary cancer in November 2021, experienced first-hand just how reassuring and supportive the specialists at the hospice are when it comes to respecting someone's wishes.

"The biggest difference the hospice made to me was helping me get home to spend Christmas with my little boy and my family. when at times I just didn't think that it would be possible. At points I really didn't think I would be
