5. To consider the confirmation in position of the new Clerk after their trial period or extension of the trial period as per contract:

Councillors discussed the performance of the clerk during the contractual probationary period. It was noted that this period had involved only one full Council meeting and agreed that this was an insufficient timescale on which to make a decision to confirm the position. It was therefore agreed to extend the probationary period for a further 8 weeks, as allowed for in the contract.

It was agreed that the Cllr Phoenix would write to the Clerk informing his of this decision.

6. If required, to consider the process of and instigation of the appointment of a new Clerk: Not considered necessary.
