

Updates from Parish Council's post the interim report

Whatfield: have had a meeting with Joy Moran in October and told her that they are willing to support a route on a pro-rata basis, but not indefinitely. They believe that these routes should be supported by the CC when the current funding crisis abates.

Hitcham: They report many users of the service, and many prospective if the service was more regular. They replied to the Elmsett Clerk regarding setting up a meeting, but have had no response. They did not report that any decisions have so far been made regarding funding.

Battisford - Not funding as too few users. They will be distributing information on Dial-A-Ride to their parish

Aldham - Not funding as too few users

Whilst looking for Dial-A-Ride information, I found the following:

- <https://communities.suffolkonboard.com/my-area/mid-suffolk/>
- <https://www.bsevc.co.uk/rural-transport-mid-suffolk>
- http://hadleigh.org/index.php?option=com_content&view=article&id=9&Itemid=495

The later being an offering from Hadleigh Community Transport...
