DRAFT

What is a Parish Council Business Plan

The Parish Council Business Plan sets the Parish Council's vision for the parish, its **purpose, values, objectives and key priorities** for the next three years.

The aim of the Business Plan is to give Ringshall's parishioners a clear understanding of what the Parish Council does and what it is trying to achieve. It details what the Parish Council intends to focus on over the next three years. The Business Plan is a live document that Council will review annually, use to drive the budget process, plan activities for the coming year and enable the Parish Council to monitor its progress against key priorities.

Why has the Parish Council decided to produce a Business Plan

Having an agreed strategy provides a framework for the Parish Council to work within, enabling it to operate in a more consistent and co-ordinated way, to be proactive rather than reactive in its decision-making. We have based the Plan on our understanding of our community's needs gathered from our day-to-day involvement with residents and other key organisations within Ringshall Parish.

At the same time, the Business Plan will help the local community to have a better understanding of what the Parish Council does and also clarify what it doesn't do; in other words to explain what issues fall under the responsibility of other delivery bodies such as Mid Suffolk District Council (MSDC) or Suffolk County Council (SCC).

The Business Plan is a statement of intent, however, Ringshall Parish Council may have to make decisions contrary to our stated commitments if events such as budget constraints, new legislation or changes in our policies make that necessary. Any changes will, however, be reflected in an updated plan. It will be a 'live' document, which the Parish Council will update regularly, enabling it to track, and monitor its progress against the key priorities. Because the Business Plan will be publicly available, Ringshall parishioners will also be able to monitor progress.

The Parish Council

Overview

Ringshall Parish Council is the first and local tier, with an important role to play in promoting the Ringshall Village & outlying areas (Parish) representing its interests and supporting the work of different groups within the community.

Mid Suffolk District Council (SHDC) is the second tier and is responsible for services including housing and environmental services. MSDC is also responsible for strategic planning policies for all development (including housing and employment sites) via its Local Plan.

Finally, Suffolk County Council's (SCC) responsibilities include highways, relating to both roads and footways (pavements), education, health and social services, public rights of way and libraries.

Residents elect seven Parish Councillors every four years. The Council elects a Chairman and, optionally, a Vice-Chairman annually at the Annual Parish Council Meeting in May. The Council reports to the electorate at the Annual Parish Meeting held in May. Councillors are unpaid. Councillors commit their time to improving Ringshall Parish and maintaining it as an attractive and sustainable place in which to live, visit and do business. Elections are held every four years, they were last held in May 2019. The next election will be in May 2023.

The Parish Council owns property (village hall, bus stop) but no land in the Parish. The Council holds these assets on behalf of the community and are responsible for maintaining their value. The full Council meets generally on the last Tuesday every other month in the village hall. All meetings are open to the public with a period set aside for members of the public to address the Council.

The Council works to its Standing Orders and Financial Regulations, these lay down the rules by which it operates and conducts its business. The Council also expect Parish Councillors to adhere to the Council's Code of Conduct. Any committees and working groups work to terms of reference agreed by the Council.

The Council Staff and Management

The Council currently employs one part-time administration employee - the Clerk to the Council. The Clerk administers the Council business and must carry out all the functions required by law. The Clerk is the Parish Council's "Proper Officer" and only the Clerk can sign official documents on behalf of Council. The Clerk is also the Council's Responsible Financial Officer (RFO). The Council will make use of contractors for maintenance tasks.

Financial Information

Income

The residents of Ringshall, through the precept, fund the Parish Council. The precept is the local tax levied by the Parish Council that MSDC collects on our behalf as part of the Council Tax bill.

In this document we tell you what you get for your money and you can decide whether or not it represents good value.

Expenditure

The main items of expenditure are:

- Office Administration, salaries, insurance, contractors and on-going expenditure (e.g. grants and donations, maintenance etc.)
- One-off projects (e.g. play areas, village improvements, open spaces projects, major repairs, etc. where monies are often held in earmarked reserves)

Council will fully allocate the budget for each accounting year in the January of the previous accounting year.

Council's unallocated reserve is money the Council holds in case there is a major problem that affects the Council's business. This could be any disaster that requires major emergency funding.

The Council also has allocated reserves. We put this money aside to cover contingencies like staff turnover, equipment failure (street lighting etc.), and larger projects.

The Parish Council has the following ongoing responsibilities:

- Ownership and maintenance of the bus shelter
- Ownership and maintenance of the street lighting
- The provision of small community grants
- Submitting comments on all planning applications and change of use applications in the parish as a statutory consultee of the local planning authority (MSDC)
- The provision of litter and dog fouling bins and their emptying

The Council looks to reflect the views of the community by liaising with other public bodies and commenting on key strategic issues such as housing, planning, highways, social services and education.

Administering parish council business, managing council finances, project managing, keeping residents informed of decisions and proposals that may affect them and dealing with enquiries is a core function that promotes the efficient and effective running of the council.

Parish Council Objectives

Ringshall Parish Council aims to be a professional, competent and caring Parish Council, to be open and accountable in all it does and to ensure the sound financial management of Parish Council resources.

The Parish Council aims to:

- Be well-informed about the needs and opinions of the parish's residents and businesses by consulting them on major issues
- Improve services to the public by encouraging members and staff to develop their skills by undertaking appropriate training
- Ensure we give Councillors the opportunity to keep abreast of new opportunities and policy
- Be a good and fair employer by providing fulfilling work opportunities and conditions for its staff

- Continuously promote public participation in all Parish Council meetings and initiatives
- Deal with enquiries and fault reports from members of the public speedily and efficiently
- Be an effective custodian of the Council's property and documents

To this end council has proposed the following focus for its actions:

Focus	Proposed Action	Implication
Administering the Council		
To maintain effective operation control	To continue operating to our Financial Regulations and Standing Orders and all other relevant policies	Periodic review of all policies. Completion and submission of AGAR form Periodic review of adherence to policies.
